# LUKOIL MACEDONIA OPENS A GAS STATION IN TETOVO WHICH IS THE TWENTY-THIRD GAS STATION IN MACEDONIA

This facility features three dispensers simultaneously providing gas to 6 vehicles. The market store comprises an area of 120 m2 containing a coffee bar and a lovely terrace. The gas station offers its customers “ECTO” fuel with the best quality available on the market, liquid petroleum gas, LUKOIL motor oils. Furthermore, it gives its customers an opportunity to enjoy a break and a cup of an exceptional coffee and to choose from a diverse range of products offered by our professional staff 24/7 365 days a year.
